

# Viper™

Available in a  
wide variety  
of colors!

## GRAVITY-FED TOILETS

### UPGRADE TO HIGH PERFORMANCE

You won't pay much more for a Gerber Viper toilet than an "industry average" toilet, but you'll get far more flushing capacity. The Viper™ sets new performance standards.

- HP2 Flushing technology delivers powerful, vigorous flush
  - 800g MaP rating proves exceptional bulk clearing
  - Reliable Fluidmaster® fill valve
  - Non-binding stainless steel beaded chain prevents kinking
  - Fully glazed 2" trapway for quick and effective performance
- Large water surface keeps bowl clean
- Multi-point tank-to-bowl connection for tank stability
- Corrosion-resistant solid brass tank bolts
- Gerber exclusive double nut tank mounting system for leak proof installation and maintenance
- Color matched tank levers for white, bone and biscuit
- Available in 10", 12" and 14" rough-ins
- Round front, Elongated and ADA ErgoHeight™ elongated bowls
- Options include: right hand lever, insulated tank and vandal resistant lid (not available on all models)
- Available in 11 Gerber colors
- 5 year limited warranty
